The Empty Shelter Project will be conducting a free Spay and Neuter event at the Hardy Senior Center on Saturday July 15, 2017. We plan to accomplish about 250 dog and cat spay and neuter surgeries but cannot do it without a dedicated group of volunteers!. Along with the spays and neuters, each animal will also receive free vaccinations and a microchip. There are multiple shifts available both on the day of the event and on the Friday before the event. The Empty Shelter Project is now signing up volunteers for July 15th's big spay and neuter day!!

We are really excited about this new project and want it to be a huge success for those involved and the animals in Harris County who will benefit the most.

We need lots of volunteers on Friday July 14th (for set-up) and Saturday July 15th to make this event a success!
